POLICY

Each facility will develop, in writing, Standard Operating Procedures for the delivery of health care to the inmates assigned to that facility. These procedures will be consistent with the North Carolina Department of Corrections Health Care Procedures Manual and the American Correctional Association's Standards and Expected Practices.

PROCEDURE

Each facility's Medical Standard Operating Procedure Manual will be reviewed at least once each year by the responsible health authority. The date of review and signature of the reviewers will be indicated on the cover sheet of the manual.
