.2001 GENERAL

This policy establishes specific procedures for granting conditional release to selected inmates within the North Carolina Division of Prisons pursuant to General Statute 148-64.1, as well as the return of such inmates into custody should they violate conditions of release.

.2002 DEFINITIONS

(a) Deportation- the removal of an inmate from the United States and return to his/her Country of citizenship.

(b) Final Removal Order-document issued by a federal immigration judge authorizing ICE agents to deport a specific inmate to his/her home country.

(e) Rapid REPAT-process by which an inmate agrees to be deported after having served one half ½ of his/her minimum sentence. Selected inmates are eligible based on crime conviction and agreement to never return to the United States and no pending charges in any jurisdiction.
